Biography: Yen-Wei Chen

Professor, Ritsumeikan University, College of Information Science and Engineering
2-150 Iwakura-cho, Ibaraki, Osaka 567-0817, Japan
Phone: +81-72-665-2824, E-mail: chen@is.ritsumei.ac.jp

Professional Preparation

Kobe University (Kobe, Japan)	B.E.	Instrumentation	1985
Osaka University (Osaka, Japan)	M.E.	Electrical and Electronics	1987
Osaka University (Osaka, Japan)	Ph.D	Electrical and Electronics	1990

Appointments

Ristumeikan University (Osaka, Japan)	Professor, College of ISE	2004-Present
	Board of Trustees Member	2023-Present
	Deputy Director of the International Division	2013-2015
	Vice Dean, College of ISE	2011-2013
	Director, Center of Advanced ICT for Med. and Healthcare	2014-2019
Univ. of the Ryukyus (Okinawa, Japan)	Professor, Dept. of EEE	2003-2004
Univ. of the Ryukyus (Okinawa, Japan)	Associate Professor, Dept. of EEE	1994-1995
Univ. of the Ryukyus (Okinawa, Japan)	Lecture, Dept. of EEE	1994-1995
Institute for Laser Tech. (Osaka, Japan)	Research Fellow	1991-1994
Otsuka Electronics Co. (Osaka, Japan)	Engineer	1990-1991

Visiting Position

Zhejiang Univ. (Hangzhou, China)	Visiting Professor (Computer Sci.)	2014-Present
Penn State Univ. (State College, PA, USA)	Visiting Professor (IST)	2010-2011
Oxford University (Oxford, UK)	Visiting Scholar (FMRI Center)	2003-2004

Honor/Awards

・Foreign Fellow of The Engineering Academy of Japan (2024~Present)

・Assessor of Overseas Experts of Chinese Academy of Science (2000~2005)

・Outstanding Overseas Chinese Scholars Fund of Chinese Academy of Science (2000)

・Chair Professor of College of Computer Science and Technnology, Zhejiang University (2013-2016)

・ICPR2012 Best Scientific Paper Award, JAMIT Best Paper Award, et al.   more than 20 Awards

・ranked in the World's top 2% of scientists for both the single recent year (2023) and

career-long (updated until to end-of-2022), according to Stanford/Elsevier's rankings.

Synergistic Activities

Services to the Scientific Community:
・Associate Editor (2021 – present): *Artificial Intelligence in Radiology (specialty section of Frontiers in Radiology)*.
・Associate Editor (2005 – present): *International Journal of Image and Graphics*.
・Associate Editor (2017- present): *International Journal of Knowledge-Based and Intelligent Eng. Systems*
・General Chair and Program Chair of international conference more 20.
・Delivered invited speeches at more than 30 conferences, universities or research institutions around the world.

News Media: Major News Media in Japan, including *MAINICHI, SUNKEI, KYOTO, NIKKAN,* have reported   our research activities

Transfer to Industry: joint researches with more than 10 industry companies and have more than 10 patents

Research Grants: PI and co-PI of more than 30 research projects supported by the Japanese Ministry for Education, Science, Culture and Sports (MEXT).

Thesis Supervisor and Post-doctoral Research Fellow Sponsor

a. **Ph.D:** Total: 27
b. **Master:** more than 100
c. **Post-doc**: Total: 10

Publications:

Google Scholar: https://scholar.google.com/citations?hl=ja&user=ZI0PvoQAAAAJ

h-index: 45 (35 since 2021)

・**More than 300 papers (including IEEE Trans. Image Processing, IEEE Trans. Medical Imaging, IEEE Trans. Cybernetics, IEEE Trans Affective Computing, Pattern Recognition, CVPR, ICCV, AAAI, IJCAI, MICCAI)**

・**More than15 books published by Springer et. al.**
